HISTORIC RENTALS IN *Independence*

THE HISTORICAL
Landon House

The Landon Center was the home of former Kansas governor Alfred (Alf) Landon. The home was a present from his father when Alf married in 1915. Landon lived in the house with his family until he became Governor in 1932 and

retained the title in the 1934 election as the only Republican Governor elected that year. He continued to own the home and spent time there until his 1936 presidential campaign as the Republican Party's candidate. He came to Independence on the eve of the presidential election in 1936, stayed in the house and voted the next morning. This house became a political hub for Kansas and to a large extent the Nation during the 1920s and 1930s. Political leaders came to Independence because Alf Landon lived here. Photographs of the house were used throughout his presidential campaign literature.

Independence is known for beautiful historic homes, lending to its romance and charm. If you are planning a meeting, consider using the Historical Landon House, located near the heart of Independence on the southeast corner of Magnolia Street and 8th Street.

Now owned and operated by the Independence Historical Museum and Art Center, the Landon House is the perfect turn-of-the-century venue filled with beautiful antiques and fixtures. It features 1,300 square feet of space on the ground floor to accommodate up to 50 people.

The Landon House has flexible space to accommodate a variety of meeting venues:

- Three rooms for meetings
- Large fully-equipped kitchen
- Handicap accessibility/restroom
- Technology & audio/visual friendly
